Re Docket No 04-00052 Application To Provide Competing Local Telecommunications Services

Dear Sir or Madam

The Utilities Commission, New Smyrna Beach d/b/a Sparks Communications ("UCNSB") hereby amends its Application in the above-referenced docket to request authority to provide facilities-based competing local telecommunications services, including exchange access services, and resale interexchange services in the State of Tennessee. In its original Application, UCNSB had only requested authority to provide competing local telecommunications services and hereby amends the Application to include its request for authority to also provide resale interexchange services. All other information in UCNSB's Application remains the same.

I am enclosing herewith an original and thirteen (13) copies of this letter amending the Application. Please date stamp the "Stamp In" copy of this filing and return it to me in the enclosed prepaid, self-addressed Federal Express envelope. Thank you very much, and please contact me if you have any questions or require any further information.

Very truly yours,

Julie Kaminski Corsig
